The Group agrees to the following minimum enrollment requirements for the CareFirst/CareFirst BlueChoice product(s) that it has selected:

1. CareFirst/CareFirst BlueChoice reserves the right to revise the rates if the actual enrollment or demographics varies from that used in the original rating or if applicable law or regulatory authority requires such revisions.

Renewing Employer Groups:

The Group agrees to the following minimum enrollment requirements for the CareFirst/CareFirst BlueChoice product(s) that it has selected:

1. Renewal rates are subject to change if all CareFirst/CareFirst BlueChoice product lines are not renewed.
2. CareFirst/CareFirst BlueChoice reserves the right to revise the rates if the actual enrollment or demographics varies from that used in the original rating or if applicable law or regulatory authority requires such revisions.
3. If the Group selects a Point-of-Enrollment program, and the BlueChoice Advantage or HealthyBlue Advantage product is selected, no more than 50% of the Group's eligible employees live outside of the BlueChoice Service Area.
4. If the Group selects a Point-of-Service product, and any CareFirst BlueChoice product is selected, other than BlueChoice Advantage or HealthyBlue Advantage, no more than 10% of the Group's eligible employees live outside of the CareFirst BlueChoice Service Area.

If the Group does not meet the above requirements, CareFirst/CareFirst BlueChoice reserves the right to revise rates at any time or to refuse to renew any CareFirst/CareFirst BlueChoice health benefit plan issued to the Group.

1. For rate adjustments: Compliance with the minimum enrollment requirements is measured on the first day of any month during the contract period based on all information that has been information obtained by CareFirst/CareFirst BlueChoice including, but not limited to: (i) enrollment information; (ii) any eligibility audit information and/or Group census report; and (iii) the information obtained by CareFirst/CareFirst BlueChoice (including information received regarding proposed enrollment) at the time the rates were developed.
2. For purposes of renewal: Compliance with the minimum enrollment requirements is measured 120-days prior to the contract renewal date based on information obtained by CareFirst/CareFirst BlueChoice including, but not limited to: (i) enrollment information; (ii) any eligibility audit information and/or Group census report; and (iii) the information

obtained by CareFirst/CareFirst BlueChoice (including information received regarding proposed enrollment) at the time the rates were developed.

At least one employee must be employed full-time and enrolled under the Group's medical coverage on the first day of the plan year. (Note: Those employees with complementary to Medicare coverage do not count toward the one employee minimum enrollment requirement.) Enrolled Groups that drop to less than one full-time employee at this time should contact their CareFirst/CareFirst BlueChoice Sales Representative to arrange for individual direct pay coverage.

Minimum Enrollment Requirements for Freestanding Dental and Vision Products

When a Group selects employer-sponsored freestanding dental and/or vision benefit coverage, the Group must enroll and maintain enrollment of at least 75% of all eligible employees for the employer-sponsored dental and/or vision coverage. If at any time there are less than 75% enrolled in the employer-sponsored dental and/or vision products; CareFirst/CareFirst BlueChoice reserves the right to rescind the proposal (if prior to effective of the applicable Group Contract), revise the rates, terminate the product that does not meet the 75% requirement, or refuse to renew the product that does not meet the 75% requirement.

If the Group offers vision benefits only, and the Group does not have a health benefits program through CareFirst/CareFirst BlueChoice or another CareFirst/CareFirst BlueChoice affiliate, the Group must have a minimum of two hundred (200) eligible employees enrolled at the time of the Group's initial Contract effective date.

If the Group offers dental or vision benefits only and at any time total enrollment increases or decreases by 10% or more, CareFirst/CareFirst BlueChoice reserves the right to rescind the proposal (if prior to effective of the applicable Group Contract), revise the rates, terminate this Group Contract, or refuse to renew this Group Contract.

The basis for determining whether an enrollment increase or decrease has occurred will be the total enrollment:

1. On the effective date or contract renewal date versus the total enrollment proposed at the time the rates were developed; and
2. On the first day of any month during the contract period versus the total enrollment proposed at the time the rates were developed.

At least one employee must be employed full-time and enrolled under the Group's dental or vision coverage on the first day of the plan year. (Note: Those employees with complementary to Medicare coverage do not count toward the one employee minimum enrollment requirement.) In addition, the Group agrees to complete and return to CareFirst/CareFirst BlueChoice an eligibility audit and/or census report annually.

CareFirst/CareFirst BlueChoice will notify the Group of any rate adjustments no later than 45 days prior to the effective date of the rate change.
