

# Member Communications

## Marketing landing page: [carefirst.com/sharecare](https://carefirst.com/sharecare)

Most wellness marketing materials direct members to this webpage and encourages them to register and get started with their wellness program (on or after their effective date).

Please note, once members have registered for Sharecare, they may receive additional Sharecare-generated communications including, but not limited to, emails and push notifications. At any time, members can opt-out of these communications.
